

Proposal to change the name of the SSA Vic branch

Statistical Society of Australia, Victorian Branch

To be considered at the Annual General Meeting on 28 March 2023.

Proposal

The SSA Vic branch, as we are colloquially known, currently serves the Victorian and Tasmanian statistical communities - a fact that is not reflected in the name of the Branch. The current official name of the SSA Vic branch, as registered with Consumer Affairs Victoria, is the "Statistical Society of Australia Victorian Branch Inc.". To make it clear that the Branch serves both the Victorian and the Tasmanian communities we propose the name of the branch be officially changed to the "**Statistical Society of Australia Victorian and Tasmanian Branch Incorporated**".

We see this change as important as the council continues work towards the better inclusion and representation of members living in Tasmania.

If the name of the Branch is approved at the AGM, we also suggest that the abbreviation of the branch be "SSA Vic & Tas".
